Channels Brasserie Rules for Dining

During this unprecedented time, we have had to follow very strict rules from the Government in order to open. It is our goal to keep all of our lovely customers and staff safe and healthy and we ask that you help us by following the rules here at Channels Brasserie.

-Toilets: Please do not leave your tables other than to use the toilet, which is located near the entrance on the right. Please follow our one way system and make sure no more than 2 people are in the toilets at any time. Please exit via the fire exit and then re-enter through the entrance at the front of the Barn.

-One Way System: The Barn and Outdoor Patios have a one way system that we ask all of our guests to please ensure they follow. There are clear markings to show you which way to walk and where to wait. Please follow these for the safety of our guests and staff.

- Children: If you are dining with children, it is your responsibility to keep them at your tables *AT ALL TIMES*. We will not be allowing children to run around our grounds as we cannot maintain social distancing.

- HOPT App: We now have a new ordering app called HOPT. If you would like to order drinks via this app, please download it to your smart phone and search Channels in the search of the app to find our drinks menu. If you prefer a staff member to take your order we will still do this as well. 😊

-Back Patio/Beer Garden Seating: There is a Food Order point for you to order your food and drinks. If there is a queue of 5 people, please remain at your table until the queue goes down.

We know things are different for us all as we adjust to this "New Normal" we are all in. Please be patient with our staff as they work tirelessly to make our Brasserie an enjoyable experience for everyone. If you have any questions, a member of staff will happily help you.
